RESPONSE TO NOTICE TO FILE CORRECTED APPLICATION PAPERS

Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

In response to the Notice to File Corrected Application Papers dated April 3, 2001 with a shortened statutory period of response set to expire June 3, 2001, Applicant responds as follows.

The Patent Office has indicated that pages 72-110 are not in compliance with 37 CFR 1.52(a), relating to legibility/scanability. Applicant is unsure as to why those pages are not scannable, as the copies in the files appear legible. However, Applicant is attaching hereto replacement pages for pages 72-110 of the original specification.

Applicant hereby states that the replacement page(s) contain no new matter.

Applicant earnestly requests the Examiner to telephone him at the direct dial number printed below if the Examiner has any questions or suggestions concerning the application or allowance of any claims thereof.
